# What's new with Caring Campus

---

4CPD 10/9/2024

Ken Sherwood

IEBC COO/Caring Campus Vice President

# What is the Caring Campus Network?

- A new IEBC program that is intended to support institution and sustainability of your Caring Campus implementation
- Recognition of the increasing adoption of Caring Campus across the country
- Allows Caring Campuses to connect with and learn from one another
- Collects and provides access to a variety of Caring Campus resources in one place
- Started with generous funding from the ECMC Foundation, which also includes free membership for all Caring Campuses for the rest of 2024

# Artifacts Database

- Caring Campus artifacts collected in one place
- Includes images, videos, documents, links
- Fully searchable by:
  - Artifact Category
  - Type of media
  - Keyword
  - Institution
  - State

# Caring Campus Certification

- Membership in the Caring Campus Network makes you eligible to apply as an institution for Caring Campus Certification
- The application is a self-study that asks you to provide evidence that you meet various criteria indicating an ongoing commitment to Caring Campus
- Applications will be reviewed by IEBC, and if enough criteria are met, your college or university will be named a Bronze, Silver, or Gold Certified Caring Campus for two years
- This comes with a physical award as well as a digital badge

# Caring Campus Certification

- The digital badge can be used in most of your communications, such as on your website, in email signatures, or on physical items such as shirts and banners
- Certification lasts for two years (as long as your institution remains a Network member during that period)
- IEBC will confirm or verify certification to third parties upon request
- A member institution can reapply during any application window

# Caring Campus Certification

- Criteria categories:
  - Training and hiring
  - Accountability and data use
  - Role of leadership
  - Celebration and culture
  - Messaging
- Gold Certification is only available to institutions that have implemented Caring Campus for both Staff and Faculty
